- Quality inspection of colleague's output
- Maximise the uptime of operations by delivering materials in a timely manner
- Performance of area housekeeping activities, including the prompt reporting of problems shortages or equipment breakdown
- Opening of crates/unloading containers/removing wood and nails

Skills, Knowledge & Experience:

- Hands-on experience working within a manufacturing environment is **essential**
- Counterbalance FLT **essential** to 7 tonnes
- Full driving licence **essential**
- Overhead crane/lifting slinging experience is **essential** (able to demonstrate regular use of overhead crane, even if refresher training is required)
- Experience working within a mechanical/electrical engineering environment is **desirable**
- The ability to understand mechanical and schematic drawings is **desirable**
- Role suitable for those who thrive in active, physical task environment
- Have good written and verbal communication skills
- Experience working collaboratively with other operations personnel
- Ideally experience working within a continuous improvement environment
- 'Can do' attitude with the ability to work unsupervised using own initiative
- Flexible approach with hours and a willingness to work across other areas of the business
- Good attention to detail

Salary and benefits:

- Salary negotiable
- 25 days holiday per year plus 8 bank holidays
- Company Profit Share Scheme (paid qtrly)
- Two paid breaks
- Nine-day fortnight (37.5 hrs) Every other Friday off
- Superb canteen facility
- 3 x salary death in service
- Healthcare scheme and wellbeing scheme
- 4 weeks full pay paternity/maternity leave
- Pension
- EV Scheme and on site chargers
- Parking on site
